

## Privacy Policy for Utility Management Services, Inc.

Maintaining the privacy of your personal information is of utmost importance to us. In order to provide services to you, we must maintain certain information about you that we collect from applications or other forms that you complete, transactions that you conduct, communications with us and our affiliates, and information we receive from third parties such as utility providers.

We restrict access to your non-public personal information to those employees who need to know that information to provide services to you, and to service providers who are involved in providing products and services to our customers. We maintain physical, electronic and procedural safeguards to protect your personal information. These safeguards include limiting access to data and periodically testing our security technology.

It is our policy not to disclose your personal information to unaffiliated third parties except as required or permitted by law, as requested by you or as follows: in response to a subpoena, to prevent fraud, to comply with inquiries from government agencies or other regulators, for other legal purposes, and to others that service your account or that perform services on our behalf.

If you prefer that UMS not disclose non-public personal information about you to unaffiliated third parties, you may opt out of those disclosures by notifying us by sending an e-mail to [sales@utilmanagement.com](mailto:sales@utilmanagement.com).
